 **QUICK-REFERENCE CARD  
MLA 9TH EDITION**  
BY ORDER IN CITATION

**SOURCE**

Author. Can be a birth name, pseudonym, a group of people, or an organization. A birth name is listed "last name, first name." If there are several authors, only the first author is listed by their last name first.

Title of Source. Can be replaced with a description if there is no formal title.

**CONTAINER**

Title of Container. Includes albums, anthologies, apps, databases, exhibits, journals, magazines, newspapers, television series, websites, and any work in which another work is contained.

Contributor. People, groups, or organizations that play a role in the work but are not the primary creator(s).

Version. Check for different versions or editions in the title page, "About" page, or other page with information about the work.

Number. Always replace roman numerals and spelled out numbers with arabic numerals and an abbreviated identifier (vol. 1, no. 2, etc.).

Publisher. Can include the publisher of a book, the agency, broadcaster, institution, network, or theatre that distributes a work.

Publication Date. Can include a time stamp, day, month, season, year, or range of years.

Location. Can include page number, page range, DOI, permalink, URL, numbering system formatted by the source, or physical location where the work was observed.

# See what others are saying...

Here's what teachers like you are loving about these **MLA Citations Practice Worksheets!**

 **Extremely Satisfied**

These examples were very relevant to the sources that my students seem to use these days, so it was great practice.

– Tamara A.

 **Extremely Satisfied**

This practice was really helpful and it was great to have notes to follow along with in the answer key to clarify details about MLA format

– Chantel S.

 **Extremely Satisfied**

My students responded well to these activities -- clear, easy to use, and great for practicing writing citations.

– Mark S.
