# See what others are saying...

Here's what teachers like you are loving about this **Class Systems Toolkit!**

 **Extremely Satisfied**

I don't know about you, but I am so tired of embedding YouTube timers that end with some unexpected horrible sound effect. These Agenda Slides are simple and unoffensive. Lovely and minimalistic as well.

- Hilary E.

 **Extremely Satisfied**

I needed a way for students to get organized and understand planning daily. This student planner was perfect for my needs because it gives the monthly view and is broken down by weeks with lists under each day. So far it's working great.

- Shana M.

 **Extremely Satisfied**

This is an EXCEPTIONAL exit-ticket resource! It is very versatile - I can do so many things with this resource. Thanks you for creating such a useful product for teachers!
